

MIXER-BUCKET

Mix Concrete and Mortar

Mix Granular Materials

Specified Mixes

**Accurate Placement of Mixed
Materials**

Dry and Wet Mixes

- Mixer bucket range to suit excavators from 2.5 – 30 tonnes; also available for loaders, skid steers and telehandlers
- Manufactured using high grade structural and wear resistant steels, for exceptional durability
- Product evolution over 35 years
- Options include – weigh load system, hydraulic opening grill
- Mixing mechanism design ensures fast and efficient mixing of materials.
- Hydraulic operation of discharge chute gate valve
