TREEMASTER

AT A GLANCE

Manufactured entirely using high grade steels for maximum strength and low weight.

Industry standard saw components ensures reliability and availability.

Pivoting saw cassette minimises risk of chain snagging.

'Bar Safe' indicator
360 degree continuous rotation.

Designed and
manufactured
in England.

MANUFACTURING CAPABILITY COMES ATTACHED

Exac-One has been dedicated to the world of excavator attachments since 2002 and today is one of the UK's leading suppliers, offering an extensive product range. It leads the way in design innovation to produce attachments which improve productivity, efficiency and safety.

TreeMaster Grapple Saws

Prices include for h.duty slew drive, & x6 hoses, (no qrcs), vat & carriage excluded

GS450/200.....£17,850

GS700/300.....£24,975

GS1000/400.....£29,950

Please note that other configurations are available
